Workshop outline:

This is a popular and highly participative half-day workshop, designed to clarify the key aspects of confidentiality that relate to, for example, data protection law, the counsellor's duty to warn others, disclosure of records and enforced access to notes by third parties such as solicitors, police and the courts. The workshop is based on short scenarios, discussion and brief outlines of the law in non-technical language, with maximum opportunities for dialogue and follow-up questions.

Trainer's details:

Peter Jenkins is an experienced counsellor trainer, and author of several books on the law, including *Counselling, Psychotherapy and the Law* (Sage, 2007). He has extensive experience of running training workshops on legal aspects of therapy. He is a Senior Lecturer in Counselling at Salford University, a BACP Senior Accredited Counsellor Trainer and an honorary counsellor at Manchester University Counselling Service.
