Allocation of places will be on a first come first served basis

### **About the facilitator:**

Dr. Maria Luca is the Head of the School of Psychotherapy & Counselling at Regent's College. She has been Clinical Supervisor and Consultant Psychotherapist in the NHS, for several years. Her clinical interests centre around postmodernism and grounded theory, issues of embodiment in relation to the body, somatisation, sexuality and the therapeutic relationship. In June 2006 she gave a lecture at the Society for Psychotherapy Research Conference, held at Edinburgh University based on her research on applying grounded theory to examine clinical concepts and practices with the Phenomenology of Somatisation. Among other published works is her most recent edited book: *The Therapeutic Frame in the Clinical Context – Integrative Perspectives* (published 2004 by Brunner-Routledge, Taylor & Francis Group)
